Hello EPA and TDSHS Folks-

Could y'all take a look at the highlighted portions of the answers that we drafted to answer the questions asked at the November 15th EPA public meeting and fill in the blanks for these two questions for us? If you had any edits for the other answers, we'd welcome the feedback on them as well.

We'd like to post these on our GBF website the week of February 25th.

Thanks-

Scott
